

WAYS TO ORDER

ONLINE OPTIONS

There are 3 main options when you order online at shopwithscrip.com

1. Physical Cards

2. ScripNow eCards

3. Reload

With **Physical Cards** you place your order online before TRIP Wednesday morning 9:00 AM and your cards will be ready for you to pick up the following TRIP Wednesday morning at your designated school.

ScripNow eCards are certificates that you purchase online. Print out ScripNow on your home printer and use it in stores just like a physical gift card, or you can show the barcode receipt found in your MyScripWallet account. ScripNow is perfect for last-minute purchases.

Reload is available on certain cards. This allows you to Reload a physical card that you have purchased through our TRIP program. Just register the card (number on the back), give it a name (ie. Mom's grocery card) and you will receive an email confirming your card has been loaded. Once it's loaded you can use it.

PAPER OPTIONS

Instant TRIP (green forms can be found at our 2 TRIP locations - Rose Park and HC High School). Get your cards instantly at a TRIP table on Wednesday mornings 7:30 AM until 9:00 AM.

Blue order forms. These forms can be picked up at the TRIP table or they can be printed from the HCS website. They can be turned in to any of the HCS schools throughout the week, and will be processed the next TRIP Wednesday.

Testimonials

*"Ordering online is actually **just as easy** as using the paper order form, plus you can order from home whenever you like! You don't have to worry, because your transactions are completely secure."*

"At first, I didn't like the idea of paying online but I found that paying for your order online is completely safe as PrestoPay uses the same Automated Clearing House (ACH) process used for millions of transactions, including payroll direct deposit and Social Security.

The information required to register for PrestoPay is the same information plainly visible on the bottom of every check; so by using PrestoPay, your banking information that would have been exposed to other people on a regular check is electronic and kept private.

Additionally, all of your online transactions are regulated, and GLSC has the latest computer network security protocols to keep you and your money safe."

WELCOME TO TRIP

TRIP (Tuition Reduction Incentive Program) is a fundraising program available to help offset the cost of Holland Christian tuition.

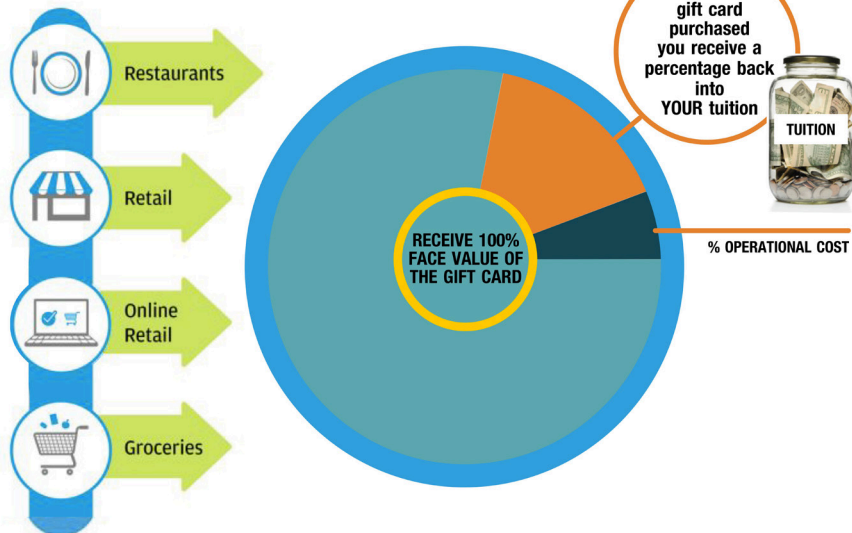

The more you use the TRIP program the more you earn. Everyday family purchases like groceries, gas, and dining out become everyday earnings for you.

HOW MUCH CAN I RAISE PER YEAR?			
RETAIL	AVERAGE REBATE	SPENDING PER MONTH	EARNING PER YEAR
GROCERIES	4%	\$800	\$384
GAS	3%	\$400	\$144
DINING OUT	8%	\$200	\$192
CLOTHING	8%	\$150	\$144
ONLINE SHOPPING	10%	\$100	\$120
TOTAL		\$1,750	\$1,032

THE BASICS:

- You buy gift cards at face value from the TRIP program for stores you already shop.
- TRIP purchases the gift cards at a discount from the retailer (discount rebate percentages vary by retailer).
- The difference between face value and what the TRIP program pays for the card = your earnings.
