

In order to take advantage of online ordering you must first:

1. Set up an account at Shopwithscrip.com entering the organization as Holland Christian Schools/MI. For our school enrollment code email trip@hollandchristian.org and we will get it to you (we have been advised not to post it online).
2. Set up an account with PrestoPay (on Shopwithscrip.com) so orders can process automatically.

There are three fast turn-around options available to HCS TRIP families.

~You can also place a regular order online. Please be aware that it must be entered by 10:00 on a Wednesday morning that TRIP is held in order to guarantee it will be processed that week. It will be available for pick up the following Wednesday morning at the TRIP table. (Think of it as the same timing that would occur if you

physically brought a blue order form to the school. It would wait in the office box until the Wednesday morning of TRIP.)
